Good morning,

Today, in the early morning hours, a Temple Station deputy conducted a vehicle traffic stop at Tyler Av./Rush St., South El Monte. The suspect was uncooperative and made furtive movements between his car seats. While attempting to guide him out of the vehicle, a struggle occurred on the ground next to the open car door. The suspect escaped, then returned to reengage the deputy, knocking his radio microphone out of his hand. The deputy used a takedown and control holds to control the suspect until back up deputies arrived. They used control holds and resisted handcuffing techniques to arrest the suspect. The suspect sustained abrasions to his arms and complained of pain. The deputy sustained non-life threatening injuries and was taken to the hospital. He was treated and released. Temple Station detective bureau is handling the criminal investigation.

Thank you,

Dave
